WAC 4-25-540 What rules govern the proceedings before the board? Except where they are inconsistent with the rules in this chapter and subject to additional rules that the board may adopt from time to time, practice and procedure in and before the board are governed by the uniform procedural rules codified in the Washington Administrative Code, chapter 10-08 WAC.

For certain types of decisions, the board has adopted an appeal process authorized by RCW 34.05.482 through 34.05.494 which is called a brief adjudicative proceeding. Decisions to which this appeal process will be applied are:

- (1) Denials of initial individual license applications, renewals, or applications for reinstatement;
- (2) Denials of CPA-Inactive certificate renewals or applications for reinstatement;
- (3) Denials of practice privilege;
- (4) Denials of initial resident nonlicensee firm owner registration applications, renewals, or applications for reinstatement;
- (5) Denials of initial firm license applications, renewals, and amendments;
- (6) Denials of exam applications; and
- (7) A determination whether a licensee, CPA-Inactive certificateholder, or registered nonlicensee firm owner has been certified by a lending agency and reported for nonpayment or default on a federally or state-guaranteed student

loan or service conditional scholarship. To appeal a decision you must submit your request for a brief adjudicative proceeding, **in writing**, to the board **within thirty days** after the decision by board staff is posted in the U.S. mail. The presiding officer for the brief adjudicative proceedings is the executive director, or designee. After consulting with a board member, the executive director, or designee, renders a decision either upholding or overturning the decision by board staff. This decision, called an order, is mailed to you.

If you are dissatisfied with the order in the brief adjudicative proceeding, you may appeal to the board's vice-chair, or designee. This appeal process is called an administrative review. Your appeal must be received by the board, **orally or in writing, within twenty-one days** after the brief adjudicative proceedings order is posted in the U.S. mail. The vice-chair, or designee, considers your appeal and either upholds or overturns the brief adjudicative proceeding order. The vice-chair's, or designee's, decision, also called an order, is mailed to you.

[Title 4 WAC—p. 15]

(ii) Twenty-four semester hours (thirty-six quarter hours) or the equivalent in business administration subjects at the undergraduate or graduate level.

(d) The board will not recognize accounting concentration credits awarded for "life experience" or similar activities retroactively evaluated and recognized by colleges or universities. This restriction is not intended to apply to internships prospectively approved by colleges or universities.

(2) **One hundred eighty-day provision:** If you expect to meet the education requirements of this section within one hundred eighty days following the examination, you will be eligible to take the CPA examination provided you submit, on a form provided by the board's designee, signed confirmation from the university that you are enrolled in stating that you will meet the board's education requirements within one hundred eighty days following the day you first sit for any one section of the examination. If you apply for the exam using the one hundred eighty-day provision, then within two hundred ten days of first sitting for any section of the exam, you must provide the board complete documentation demonstrating that you met the board's education requirements within one hundred eighty days of first sitting for any one section of the exam. If you do not provide such documentation within the required two hundred ten-day time period, your exam score(s) will not be released and you will not be given credit for any section(s) of the examination. Applicants failing to provide such documentation must reapply as a first-time applicant.

(3) **Education obtained outside the United States:** If you obtained all or a portion of your education outside the United States you must have your education evaluated by a board approved foreign education credential evaluation service. The board will establish the criteria for board approval of foreign education credential evaluation services. The board will not provide education credential evaluation services.

(4) **Semester versus quarter hours:** As used in these rules, a "semester hour" means the conventional college semester hour. Your quarter hours will be converted to semester hours by multiplying them by two-thirds.

(5) **Accreditation standards:** For purposes of this rule, the board will recognize colleges and universities which are accredited in accordance with (a) through (c) of this subsection.

(a) The accredited college or university must be accredited at the time your education was earned by virtue of membership in one of the following accrediting agencies:

(i) Middle States Association of College and Secondary Schools;

(ii) New England Association of Schools and Colleges;

(iii) North Central Association of Colleges and Secondary Schools;

(iv) Northwest Commission on Colleges and Universities (formerly the Northwest Association of Schools and Colleges);

(v) Southern Association of Colleges and Schools;

(vi) Western Association of Schools and Colleges; and

(vii) Accrediting Commission for Independent Colleges and Schools, or its predecessor, the Accrediting Commission of the Association of Independent Colleges and Schools.

(b) If an institution was not accredited at the time your education was earned but is so accredited at the time your application is filed with the board, the institution will be deemed to be accredited for the purpose of (a) of this subsection provided that it:

(i) Certifies that your total educational program would qualify the applicant for graduation with a baccalaureate degree during the time the institution has been accredited; and

(ii) Furnishes the board satisfactory proof, including college catalogue course numbers and descriptions, that the pre-accrediting courses used to qualify you for a concentration in accounting are substantially equivalent to postaccrediting courses.

(c) If your degree was received at an accredited college or university as defined by (a) or (b) of this subsection, but the educational program which was used to qualify you for a concentration in accounting included courses taken at nonaccredited institutions, either before or after graduation, such courses will be deemed to have been taken at the accredited institution from which your degree was received, provided the accredited institution either:

(i) Has accepted such courses by including them in its official transcript; or

(ii) Certifies to the board that it will accept such courses for credit toward graduation.

(6) **Alternative to accreditation:** If you graduated from a four-year degree-granting institution that was not accredited at the time your degree was received or at the time your application was filed, you will be deemed to be a graduate of a four-year accredited college or university if a credentials evaluation service approved by the board certifies that your degree is equivalent to a degree from an accredited college or university as defined in subsection (5) of this section. The board does not provide education credential evaluation services.

WAC 4-25-720 How do I apply to take the CPA examination? (1) Application form and due dates:

Your application to take the CPA examination must be made on a form provided by the board's designee and filed with the board's designee by the due date specified by the board on the application form. Applicants must submit all required documents to complete their application within sixty days of the date their application is received by the board's designee. Applicants are responsible for submitting all required documentation, application forms, and fees. Your application is not considered complete until all of the following are received by the board's designee:

- A fully completed application form;
- Fee(s);
- Proof that you have met the education requirements;
- Your proof of identity as determined by the board and specified on the application form;
- Other required supporting documents; and

- Proof from NASBA's National Candidate Data Base that you have not previously taken, or applied to take, the same section(s) of the exam during the current examination window.

(2) **Fee refund and forfeiture:** Upon submission of your application to the board's designee, no portion of the administrative fee is refundable. Upon the board's submission of your authorization to test to the National Association of State Boards of Accountancy, no portion of the total exam fee (both administrative fee and section fee(s)) is refundable. If you fail to meet the board's scheduling or admission requirements, you forfeit all of the exam fee(s) and you must reapply to take the section(s) of the exam.

(3) **Notice of admittance to the examination or denial of your application:** Notice of the denial of your application, or notice of your eligibility to take the examination will be sent to you by the board's designee. You will contact the approved test site to schedule the time and location for your examination. The notice of eligibility to take the examination is called a Notice to Schedule (NTS), the NTS will be valid for one taking of the examination within the six months following the date of the NTS.

(4) **Examination content:** The CPA examination shall test the knowledge and skills required for performance as an entry-level certified public accountant. The examination shall include the subject areas of accounting and auditing and related knowledge and skills as the board may require. The examination will consist of the following four sections: Auditing and attestation; financial, accounting and reporting; regulation; and business environment and concepts.

(5) **Examination, grading and conditioning:**

(a) **For examinations held prior to January 1, 2004:** The board uses all parts of the uniform CPA examination and the advisory grading services of the American Institute of Certified Public Accountants. Seventy-five or better is a passing grade for each section of the examination. Each time you sit for the examination you must take all sections you have not previously passed. You are required to pass all sections of the examination in order to qualify for a license. If at a given sitting of the examination you pass two or more, but not all sections of the examination, then you will receive credit for those sections that you pass and you will not be required to take those sections again provided:

(i) You took all unpassed sections of the examination at that sitting;

(ii) You attained a minimum grade of fifty on each section of the examination not passed at that sitting;

(iii) You pass the remaining sections of the examination within six consecutive examinations given after the one at which the first sections were passed;

(iv) At each subsequent sitting you take all sections not yet passed and you attain a minimum grade of fifty on those sections taken but not passed at that sitting; and

(v) In order to receive credit for passing additional sections in a subsequent sitting you attain a minimum grade of fifty on sections taken but not passed at that sitting.

(b) **For examinations held after December 31, 2003:** The board uses all parts of the uniform CPA examination and the advisory grading services of the American Institute of Certified Public Accountants.

(i) To qualify to apply for a license you must attain a score of seventy-five on all four sections of the examination.

(ii) You may take the required four sections individually and in any order. Credit for any section(s) taken and passed after December 31, 2003, will be valid for eighteen months from the actual date you took the passed section, without having to attain a minimum score on any failed section(s) and without regard to whether you have taken other sections.

(iii) You must pass all four sections of the examination within a rolling eighteen-month period, which begins on the date that the first section(s) is passed. When determining the date that a section is passed the date that is used is the date that you took the exam section and not the date that your grade(s) is released.

(iv) You may not retake a failed section(s) in the same examination window. An examination window refers to a three-month period in which candidates have an opportunity to take the examination (comprised of two months in which the examination is available to be taken and one month in which the examination will not be offered while routine maintenance is performed and the item bank is refreshed).

(v) In the event you do not pass all four sections of the examination within the rolling eighteen-month period, credit for any section(s) passed prior to the eighteen-month period will expire and you must retake that section(s).

(c) **Transitioning for candidates obtaining conditional credits under the provisions of (a) of this subsection:**

(i) If you earned conditional credit(s) under the provisions of (a) of this subsection and as of February 15, 2004, those conditional credits remained valid under the provisions of (a) of this subsection, you will retain conditional credit for the corresponding sections of the examination as follows:

Examination section taken prior to January 1, 2004	Examination section taken after December 31, 2003
Auditing	Auditing and Attestation
Financial Accounting and Reporting (FARE)	Financial Accounting and Reporting
Accounting and Reporting (ARE)	Regulation
Business Law and Professional Responsibilities (LPR)	Business Environment and Concepts

(ii) If you qualify for conditional credit(s) for a section of the examination under (c)(i) of this subsection, you will lose the conditional credit(s) for the section unless you complete all remaining section(s) of the examination within the transition period which is the lesser of:

- The maximum number of testing opportunities that you had remaining to complete all sections of the examination under the provisions of (a) of this subsection; or

- The number of remaining testing opportunities you had remaining to complete all sections of the examination under the provisions of (a) of this subsection multiplied by six months.

(iii) If you do not pass all remaining sections during the transition period, the conditional credit for the section(s) you passed under the provision of (a) of this subsection will become invalid. Any section you pass after December 31,

2003, will be subject to the provisions of (b) of this subsection with the following exception:

- You will not lose conditional credit for any section passed during the transition period, even though more than eighteen months may have elapsed from the date the section is passed, until the end of your transition period.

- (iv) You will retain credit for any and all sections of an examination passed in another state if credit would have been given under the Washington state requirements in effect on the date you took the examination.

- (v) If you pass a section of the examination, the date you took the section of the examination is the date you receive credit for passing the section.

(6) **Ethics exam:** Upon passing the CPA examination, applicants for licensure are required to attain and demonstrate a passing grade of ninety percent or better on the AICPA professional code of conduct examination.

WAC 4-25-820 What are the requirements for participating in quality assurance review (QAR)? (1) **Purpose.** The Washington state board of accountancy is charged with protection of the public interest and ensuring the integrity of financial information as it relates to the licensure of CPAs and CPA firms. The purpose of the QAR program is to monitor licensees' compliance with attest standards.

(2) Structure and implementation.

(a) The board will annually appoint a quality assurance review committee to perform the following functions:

(i) Review of financial statements and the reports of licensees thereon to assess their compliance with applicable professional standards;

(ii) Improvement of reporting practices of licensees through education and rehabilitative measures;

(iii) Referral of cases requiring further investigation to the board; and

(iv) Such other functions as the board may assign to the committee.

(b) Once every three years the board will require each licensed firm to participate in the board's quality assurance review program. Participating firms will be notified by the board in January of the reporting requirement, and participating firms will be required to submit a quality assurance review status form, along with the appropriate fee, by the following April 30th. Failure to submit a complete quality assurance review status form postmarked by the April 30th due date, will result in the assessment of late fees. The board may waive late fees based on individual hardship including, but not limited to, financial hardship, critical illness, or active military deployment.

(c) Each participating firm shall submit, for each of its offices, a compilation report, a review report, and an audit report. A firm shall select these reports from all reports prepared during the twelve months preceding the date of board request or, if no reports have been issued within the last twelve months, from all reports during the preceding three years.

If reports issued by all offices of a firm are reviewed and issued in a controlled, centralized process, only one of each of the reports specified above need be submitted by the firm as a whole.

(d) The board may exempt from the requirement of (c) of this subsection any firm which has participated in a board-approved peer review program within the three years immediately preceding the date of board request. Firms requesting exemption must submit a copy of an unmodified report, letter of comments, response to letter of comments, if applicable,

and letter of acceptance from the reviewing organization. Firms that receive modified peer review reports may request exemption, but must submit copies of such reports and related correspondence, at the discretion of the board, for consideration on an individual basis.

(e) Any documents submitted in accordance with (c) of this subsection may have the name of the client, the client's address, and other identifying factors omitted, provided that the omission does not render the type or nature of the entity undeterminable. Dates may not be omitted.

(f) Reports submitted to the committee pursuant to (c) of this subsection and comments of reviewers, the committee and the board on such reports or workpapers relating thereto, shall also be preserved in confidence except to the extent that they are communicated by the board to the licensees who issued the reports or disclosure is required under administrative procedure rules or by direction of a court of law.

(g) The committee's review of financial statements and reports of the licensees thereon shall be directed toward the following:

(i) Presentation of financial statements in conformity with generally accepted accounting principles or other comprehensive basis of accounting, if applicable;

(ii) Compliance by licensees with generally accepted auditing standards;

(iii) Compliance by licensees with other professional standards; and

(iv) Compliance by licensees with the rules of the board and other regulations relating to the practice of public accounting.

(h) If the board determines that a report referred to the board by the committee is substandard or seriously questionable with respect to applicable professional standards, the board may take one or more of the following actions:

(i) Send the licensee a letter of comment detailing the perceived deficiencies and require the licensee to develop quality control procedures to ensure that similar occurrences will not occur in the future;

(ii) Require any licensee who had responsibility for issuance of a report, or who substantially participated in preparation of the report and/or related workpapers, to successfully complete specific courses or types of continuing education as specified by the board;

(iii) Require that the licensee responsible for a substandard report submit all or specified categories of its reports to a preissuance review in a manner and for a duration prescribed by the board. The cost of the preissuance review will be at the firm's expense;

(iv) Require the licensee responsible for a substandard report to submit to a peer review conducted in accordance with standards acceptable to the board. The cost of the peer review will be at the licensee's expense;

(v) Require the licensee responsible for substandard work to submit to on-site field review or other investigative procedures of work product and practices by board representatives in order to assess the degree or pervasiveness of substandard work. The board may assess the costs of such field review or procedures to the licensee if the results of such investigative efforts substantiate the existence of substandard work product;

(vi) Initiate an investigation pursuant to RCW 18.04.295, 18.04.305, and/or 18.04.320.

(i) The board may solicit and review financial statements and related reports of licensees from clients, public agencies, banks, and other users of financial statements. In gathering information about the attest work of licensees, the board may make use of investigators.

fies for CPE credit only if it meets the standards in subsections (1) and (5) of this section.

A minimum of fifty minutes constitutes one CPE credit hour and, after the first fifty-minute segment has been earned, twenty-five minutes constitutes one-half CPE credit hour. For example:

- Twenty-five minutes of continuous instruction counts as zero CPE credit hour;

(9) **Instructor, discussion leader, or speaker:** If you serve as an instructor, discussion leader or speaker at a program which meets the standards in subsections (1) and (5) of this section, the first time you present the program you may claim CPE credit for both preparation and presentation time. The amount of credit awarded for a given publication will be determined by the board.

(11) **Carry-forward:** CPE credit hours you complete during one period cannot be carried forward to the next period.

(12) **Carry-back:** As specified in WAC 4-25-830(9), CPE credit hours you complete during one period can be carried back to the previous reporting period only after the board has approved your request to carry back CPE credit hours.
